1 **Reporting to parents**

The current style of short reports were discussed, there were several comments made:

- The use of red to highlight CWA grades that are less than target can cause confusion as students may be still making progress
- Some confusion over the meaning of the different terms

Actions: It was agreed that Greg would look at alternative colours/styles and this would be reviewed at the next meeting

2 **CIAG**

Parents were given a short introduction to u-explore and the potential uses it has in terms of providing information around different careers/ applying for jobs/ apprenticeships etc

The outline plan for a wrap-around provision was discussed – no concerns arose

The plan for having a business day in the academy was discussed and it was agreed that this would be useful for students to attend to gain and awareness and also improve relationships with parents and local businesses

John Croot provided details of a careers day that had recently been held by The Yorkshire Agricultural Society
